# How Bad is this?

Its bad...

“With demand yet to resume in many industries it is only a matter of time before we have a crisis way more catastrophic than 2008 - we are faced with a contraction in both supply and demand which I have never seen in my professional career and I went through 1987, 1995, 2001, 2008 and now 2019/20”

**April 2020**

**David M Buckle**

**Executive Chairman**

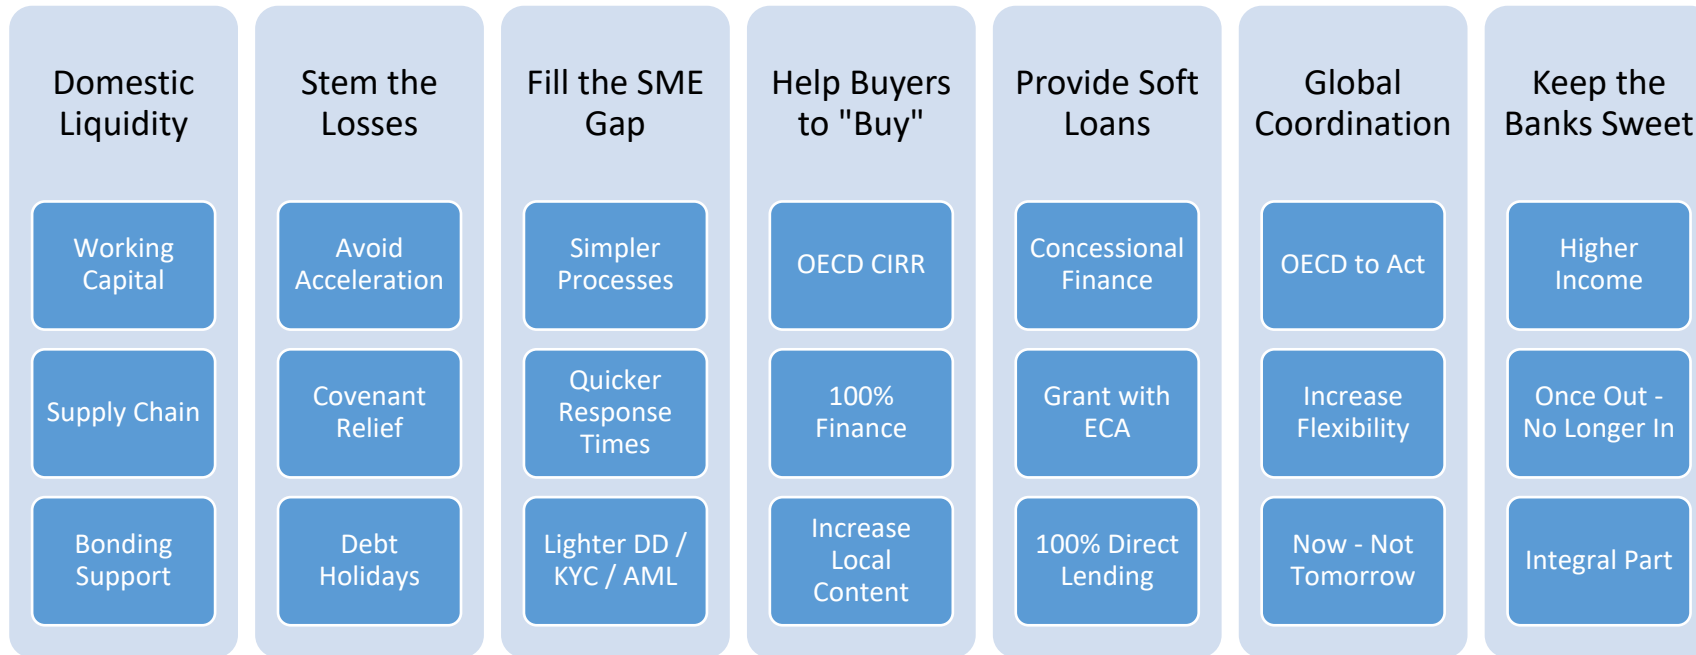

**SD Capital Advisory Limited**

# What are the Biggest Challenges?

- It's a credit and liquidity crises
- Impacting developed and developing markets
- Fear across the whole economy
- Suppliers wondering how long they have
- Buyers drying up
- Increases losses / frauds - banks pulling back / pulling out
- Trade Gap getting wider - SMEs falling behind
- Backdrop of significant global political change
- Potential of a full trade war

# Berne Union Stakeholders

- What can you do? My own thoughts...
